

CHIEF EXECUTIVE OFFICER

APRIL 2026

ABOUT THE WAR CHILD ALLIANCE

The War Child Alliance was formed in 2023. It brought together the five War Child fundraising members (in the Netherlands, UK, Germany and Sweden, plus Children in Conflict in the US) and 14 programme members based in and around conflict-affected areas across the world. The resulting Alliance integrated programme activities under one umbrella - all with the aim to multiply our impact for conflict-affected children. Inevitably there have been challenges along the road, which have required the Board's attention. The Alliance is now entering a critical phase of its development, where strengthening shared governance across member organisations, deepening equitable partner models, and ensuring clarity of roles between Alliance and member entities will be central to delivering impact at scale.

THE ROLE

- ROLE:** Chief Executive Officer
- LOCATION:** NL or UK based or within a reasonable regular commute. For non-NL or UK based, we would also consider relocation to NL
- SALARY:** War Child Alliance is a registered foundation in the Netherlands, the salary package is set in accordance with the Dutch Regulation for the Remuneration of Directors of Charities (Beloningsregeling directeuren van goede doelen).

The CEO operates at the highest level of organisational leadership and is required to balance strategic vision with organisational stewardship, external influence, and respect for shared governance. The role is exercised in a complex international and federated environment, engaging with the ISB, Alliance members, Fundraising Members, donors, partners, and staff representation bodies. - Lead the proactive management of organisational risk and opportunity, supporting a strong risk aware culture across WCAF and shared Alliance functions.

RESPONSIBILITIES

EXTERNAL LEADERSHIP AND REPRESENTATION:

- Act as the most senior spokesperson and representative of WCAF with donors, partners, sector bodies, and other external stakeholders.
- Position War Child as a unified and credible Alliance externally, strengthening strategic partnerships, donor confidence, and sector influence.
- Support the growth and development of War Child's broader movement and network by enabling engagement, opening opportunities, and strengthening collective identity and reputation.

Each staff member, including the CEO, is responsible for contributing to a culture aligned with War Child's mission, safeguarding commitments, Justice, Equity, Diversity and Inclusion (JEDI) principles, and the Core Humanitarian Standard.

These duties provide a framework for the role and should not be regarded as a definitive list. Other reasonable duties may be required consistent with the grade of the role.

The successful candidate will demonstrate the ability to balance strategic vision with organisational stewardship and external influence, exercising leadership with confidence, nuance, and integrity within clearly defined governance arrangements.

The CEO will be comfortable working in a complex international and networked environment, ideally with experience of leading an organisation towards a more intentionally partner-led model. This includes experience of engaging constructively with governance bodies, alliance members, donors, partners, and wider sector stakeholders. They will bring strong judgement, high personal credibility, and political awareness, alongside the ability to lead through complexity, ambiguity, and change while maintaining trust, alignment, and a clear focus on mission and impact.

EDUCATION:

- Relevant postgraduate qualification or equivalent senior leadership experience in a related field is desirable.

Equivalent combinations of education and experience will be considered.

EXPERIENCE:

- Led an organisation or enterprise level function with accountability for strategy, performance, and sustainability across multiple functions, geographies, or organisational entities.
